Re: *In Re: World Trade Center Disaster Site Litigation*, 21MC100 (AKH); and *In Re: World Trade Center Lower Manhattan Disaster Site Litigation*, 21MC102 (AKH)

Dear Judge Hellerstein

Pursuant to the Court's recent orders over the past two months, almost all of the post-April 12, 2010 complaints filed in the above Master Dockets have been dismissed without prejudice. The Court initially dismissed individual actions and then, on October 14, 2010, entered a General Order *Sua Sponte* Dismissing Complaints. This "General Order" dismissed approximately 286 complaints without prejudice.

Currently, there are twenty-six (26) complaints filed post-April 12, 2010 that remain pending in the 21 MC 100 and 21 MC 102 dockets. Based upon our review, the substance of these complaints appears identical to those that were previously dismissed by the Court for the reasons identified in the Court's prior Orders. For the Court's convenience, we have attached hereto a list of these twenty-six (26) complaints.

Of course, I am available at the Court's convenience should there be any questions or should any further information be needed.

Respectfully submitted,

Handwritten signature of Joseph E. Hopkins in black ink.
